from May till October no flowers

Peter Zwinkels Orchideeën

A new season some new varieties

We keep on searching for varieties with exclusive colours and of the highest quality in order to have as good an assortment as possible. This season we have added three new sorts to our assortment:

Lancashire Khan Evie, Nathalie and Rebecca

Sales

We deliver our cymbidiums only per variety and sell our products through exporters connected to "Flora Holland". You can get in touch with one of these companies and order our flowers through them or you may of course always contact us; we will then get you in touch with an exporter.

Information

We want to keep you informed of our products by means of this brochure. Do you want to know more about our company and learn the latest news? Your are most welcome to visit our website
